WELCOME

**An unforgettable holiday,
this year more than ever**

This winter, the pleasure of seeing you will be even greater than in previous seasons.

We cannot wait to see you racing down the slopes with your friends and family and are already imagining you around the table enjoying a fondue or a raclette made with local products, or watching the progress of your children who will be taking a snowflake or star badge home at the end of the holiday.

For those of us whose job it is to craft and create your holiday and whose main aim is to welcome you here to share our love of the mountains, it will be a great moment when we are able to open our doors once again.

It is with real feeling that we say to you:

- ~ Thank you for trusting us and letting us help to create your memories
- ~ Thank you for sharing all these moments with us.
- ~ Thank you for coming (back) to see us...

You are at home here.

SERENITY

La Plagne takes care of you

Because your holiday should be a serene, stress-free time, the resort of La Plagne and all the professionals you will be in contact with here, have put in place the appropriate procedures to ensure your health and safety.

All the necessary provisions are in place so that everyone can enjoy their stay to the full, with the barrier gestures as our priority.

We would ask everyone to follow the rules that we have all already adopted

Face masks must be worn

Hand sanitizer gel at your disposal

Tables at least 1 metre apart or a fixed or movable barrier to ensure physical separation

Surfaces and equipment disinfected

Seated service only

La Plagne, a certified resort

From the spring of 2020, La Plagne opted to request the validation of all of its actions guaranteeing the health and safety of its visitors. Its provisions were therefore audited and certified by Afnor.

La Plagne now has the "COVID-19 health measures" label.

All the latest information on the health standards is online on the Covid-19 page of our website www.la-plagne.com

CEBE
PURE ADRENALINE

Quelles que soient les conditions météo, il y a toujours une bonne raison pour aller rider mais ce que je préfère ce sont les journées « poudreuses » qui me permettent d'aller chercher les plus grosses barres rocheuses et de repousser mes limites. Au sommet, la tension morte mais une fois lancée, le stress fait place à l'excitation. L'atterrissage réussi est une source d'adrénaline et de joie intense pour moi !

8th – 12th March, 2021

What if we made a new start in 2021? One that is all about letting go...

Our recipe? A dose of relaxation, a hint of sophrology, a zest of yoga, a pinch of shiatsu, all sprinkled with some Nordic walking, for a cocktail that is 100% wellness

EVENTS

Montalbert is celebrating its 40th anniversary!

18th March, 2021

40 years of passion, 40 years of memories! The whole resort will be involved in the anniversary celebrations in an official evening event.

There will also be a season-long exhibition taking a look back at the resort's history and development.

Snowball

4th April, 2021

Rendezvous for a tournament that does not take itself the least bit seriously! The crazier you are, the more fun you will have!
